Your costs

- Check your insurance plan to see what you pay out of pocket (OOP) while on PrEP.
- What is your deductible?
 - What drug tier is Truvada on?
 - What are your total costs for medical visits, blood work and prescriptions?
 - What other OOP costs are you responsible for, such as co-insurance?
 - Ask for help from your doctor's office, pharmacist, local case manager or insurance plan rep.
 - Avoid Bronze plans if you can (they generally have higher OOP costs). If you can afford them, Silver, Gold and Platinum plans offer better coverage.
